

# WELCOME TO OUR NEW REFERRAL PROGRAM

The goal of this program is to reward our current customers for their loyalty and gain the opportunity to serve new customers.

## HOW OUR REFERRAL PROGRAM WORKS

Write your name on the attached referral cards and hand them out to anyone who has not visited us for service or repair before. When your referred customer redeems their \$ 40.00 offer, we will send you a notification that we have placed a dollar bonus on your account.

Additionally if you continue referring customers – we will continue to add dollars per referral to your rewards account for up to \*\$1500.00 good towards our services. See table below for rewards details.
